

Learn without limits

Where Learning Flourishes

Winter/Spring • 2023

W E B I N A R S E R I E S

GRIT is pleased to offer a variety of learning opportunities geared to the work of early childhood educators, teachers, parents, and other professionals.

Interactive, online learning focuses on providing knowledge and strategies to adults who support diverse learners in the early years (e.g. preschool / kindergarten)

It is easy as 1, 2, 3!

- 1 REGISTER ONLINE** (\$50/workshop)
- 2** Confirmed participants will receive Zoom link and handouts the day of the session
- 3** Certificates of completion are provided within one week of the session

GRIT is an approved PD provider in Alberta. Our workshops meet the criteria for PD funding, and/or release time funding, as outlined in the Alberta Childcare Grant Funding Guide.

Learning Focus

FEB 22 Beyond Access: Meaningful Inclusion for All Children

6:30-8:30 PM

Participants will be able to define inclusion; consider aspects of inclusive leadership; and, investigate inclusive practices to support children that they can apply in their early learning setting.

MAR 22 Brain Development & Resilience

6:30-8:30 PM

Participants will be able to describe the basic components of brain development and recognize the impact of stress; they will identify practices that support resilience; and, examine their role in nurturing children's brain development.

APR 19 Mental Health Literacy

6:30-8:30 PM

Participants will be able to define mental health; differentiate the signs of mental health concerns in young children; and, examine their role in supporting children's mental health.

MAY 17 Social & Emotional Foundations for the Early Years

6:30-8:30 PM

Participants will be able to describe the process of learning; implement practices that support the development of social and emotional skills; and, develop ways to partner with families to support their child's social and emotional development.

JUN 21 Responding to Challenging Behaviour

6:30-8:30 PM

Participants will be able to define challenging behaviour, and verify the foundational practices that minimize it. They will be able to start using the process of Positive Behaviour Supports as a way to respond to individual children's challenging behaviour.
